

# **Privacy Policy**

At IDriss, accessible from <https://www.idriss.xyz>, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by IDriss and how we use it. If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us. This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in IDriss. This policy is not applicable to any information collected offline or via channels other than this website.

## **Consent**

By using our website, you hereby consent to our Privacy Policy and agree to its terms.

## **Information we collect**

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information. If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

## **Blockchain**

Given that the blockchain is a public record, the transaction records associated with any transactions you make using IDriss will be publicly available on the blockchain. To learn more about what data is stored when interacting with IDriss, visit [our documentation](#).

## **How we use your information**

We use the information we collect to operate website and analyze how you use our website. We do not store your personal information such as emails or phone numbers for reasons other than you consent to.

## **Log Files**

IDriss follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

## **Cookies and Web Beacons**

Like any other website, IDriss uses cookies to maintain necessary functionalities of the website. Only cookies that are needed for the usage of this website are temporarily stored on visitor's browsers. We may also use Google Analytics to analyze product insights. These cookies are used to store information including visitors' preferences, information you have provided in the sign-up process (we do not store this information on our backend) and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

## **Third Party Privacy Policies**

IDriss's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options. You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

## **CCPA Privacy Rights (Do Not Sell My Personal Information)**

Under the CCPA, among other rights, California consumers have the right to: Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers. Request that a business delete any personal data about the consumer that a business has collected. Request that a business that sells a consumer's personal data, not sell the consumer's personal data. If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

## **GDPR Data Protection Rights**

We would like to make sure you are fully aware of all your data protection rights. Every user is entitled to the following: The right to access – You have the right to request copies of your personal data. The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete. The right to erasure – You have the right to request that we erase your personal data saved on our website, under certain conditions. The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions. The right to object to processing – You have the right to object to our processing of your personal data, under certain conditions. The right to data portability – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions. If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

## **Children's Information**

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity. IDriss does not knowingly collect any Personal Identifiable Information from anyone, including children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

## **Changes to this Privacy Policy**

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the Service. If required by law we will also provide notification of changes in another way that we believe is reasonably likely to reach you, such as via email or another manner through the Service. Any modifications to this Privacy Policy will be effective upon our posting the modified version (or as otherwise indicated at the time of posting). In all cases, your use of the Service after the effective date of any modified Privacy Policy indicates your acceptance of the modified Privacy Policy.
